NOTICE OF WATERMAIN & STORM SEWER UPGRADE

TO THE RESIDENTS NEAR THE 900 BLOCK VICTORIA STREET

*Construction on the 900 block of Victoria Street commenced
on Tuesday, March 20, 2018.*

- The watermain and storm sewer upgrades may affect your water service.
- This project is anticipated to last for **two to three weeks**.
- Street access and parking may be restricted during the construction.
- **The City will also be smoke testing the system.**
- From time to time your water may be shut-off.
- When possible, 24 hours' notice will be given for any disruption to your water service.
- Please ensure that you have adequate water saved on hand for this period, and that your boilers and hot water tanks are protected from draining.
- The public works crews may be called away to respond to emergencies from time to time during the duration of a project and will try to minimize disruptions as much as possible.
- If you notice turbidity or air in your water after service is restored, run a tap until the water clears.

We apologize for the inconvenience this project may cause.

If you have any questions please call Public Works at 352-8238.
