Costs

There is a fee for the pre and post-retrofit energy assessments. In some cases it is necessary to complete both in order to access rebates. For current prices please visit nelson.ca/ecosave or contact the program coordinator at **250-509-2021** / cproctor@nelson.ca

Eligibility

There are specific requirements that need to be met in order to perform the home energy assessment. By filling out this form you consent for the EcoSave program to provide the information on this form to the service provider for the purpose of determining your eligibility and to contact you to schedule a home energy assessment.

Energy saving tips

Switch to energy efficient lighting ✓ Unplug items when not in use ✓ Hang clothes to dry ✓ Wash in cold water ✓

Install low flow showerheads and faucet aerators ✓ Install a programmable thermostat ✓ Maintain your space and water heating systems ✓

Sign out a 'Kill-A-Watt' energy consumption monitor to determine how much 'plugging in' is costing you ✓

(These monitors are available at The Nelson Municipal Library and The City of Nelson)
